A Startling Statement New York Medical Authorities Claim Dyspepsia to be a Pre-Disposing Cause of Consumption

The post mortem statistics of the big New York hospitals show that some cases of consumption are due, at least indirectly, to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain. The weakened, irritable stomach being unable to digest food, the body does not receive the required nourishment, and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field in which the germs of disease may lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind. Dyspepsia may be completely eradicated if properly treated. I sell a remedy that I positively guarantee will completely relieve indigestion or dyspepsia, or the medicine used during the trial will cost the user nothing.

This remedy has been named Rexall Dyspepsia Tablets. Certainly no offer could be more fair and my offer should be proof positive that Rexall Dyspepsia Tablets are a dependable remedy.

Inasmuch as the medicine will cost you nothing if it does not benefit you, I urge you who are suffering with indigestion or dyspepsia to try Rexall Dyspepsia Tablets. A 25-cent box contains enough medicine for fifteen days' treatment. For chronic cases I have two larger sizes, 50 cents and \$1. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store, Thos. J. Chesworth.

Why Cough

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the tissue of the body and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Mrs. Robert Brown gave a pretty informal party Monday afternoon, entertaining three tables of bridge in honor of Miss Myra Duke of Maysville, the guest of Mrs. Gna Brooks.

The decorations were all in red in honor of the "Twenty-second" and the tally cards were in tinny rail hatchet designs. The prize, an embroidered handkerchief, was won by Miss Barrow.

After the game 5 o'clock tea was served, the table charmingly decorated with red roses, red shaded candles in silver holders and silver dishes of red and white confections.

The hostess was assisted by her mother, Mrs. William E. McCann.

Convention in Session at Versailles
—Will Close Sunday Night

VERSAILLES, Ky., February 21st.—With seventy-two delegates and a score of prominent speakers and workers present, the Thirtieth Annual State Convention of the Kentucky Young Men's Christian Association convened at the Presbyterian Church here this afternoon at 3 o'clock.

The conference will be in session four days, closing Sunday night with devotional exercises, and two hundred members are expected to be in attendance Friday, when the second day's proceedings begin.

CREATING MUCH TALK AND GREAT PRAISE

Surprising Good Being Done in This Locality

It seems that everybody is talking about Root Juice these days. The new medicine must have wonderful curative merit or so many local people would not be so enthusiastic in praise of it. When the scientist was here he said: "The reason so many people got well after taking Root Juice a few weeks is that the Juice contains in proper proportion the most soothing, healing and strengthening ingredients for the stomach, bowels, bladder, liver and kidneys known to the scientific world, by making the blood-making and blood-filtering organs healthy. Root Juice removes many ailments." The great remedy within the last few months has made so many remarkable cures in Indiana and Ohio that it is not surprising that so many of our people are buying it. It seems to be wonderful for any trouble of the stomach, bowels, liver and kidneys and has proved its remarkable merits to scores of people here in Maysville for bloating, belching, constipation, sick headache and other evils of bad digestion. In rheumatic and kidney troubles, also nervousness, it is surprising how fast health is recovered under the Juice treatment.

The people at J. Jas. Wood & Son's drug store are well informed in relation to the merits of the remedy and have a very pleasant way in telling all they know of it. Many that took one bottle have returned for more and said that Root Juice is the most wonderful medicine on earth. It is sold during the demonstration period for \$1 a bottle or three bottles for \$2.50.

Manchester wants a new clock and already has a fund of \$100 towards getting one.

Mr. William A. Knox, aged 21, of Pottsville, and Miss Lila Bell Reed, aged 21, of Wyomissing, Bath county, were married yesterday afternoon in the County Judge's office, His Honor, W. H. Rice, officiating.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on pills and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just one cure, but try something practical and sensible, remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowels muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense. Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty-cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective. These statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

SCHOOL SUFFRAGE FOR WOMEN

[Following is a copy of the bill proposed in the Legislature to give the school-voting franchise to Kentucky women. Read it carefully and then cut it out of THE LEDGER and mail it to Senator Grigsby and Representative Shanklin. THE PUBLIC LEDGER favors it and we hope you do.—Ed.]

An Act qualifying and enabling women to vote for the election of School Trustees and other school officers chosen by the people, except such officers as women may be disqualified from voting for by the Constitution, and upon school measures or questions submitted to a vote of the people, and to hold common school offices, except such officers as women are disqualified from holding by the Constitution.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SEC. 1. That all women possessing the legal qualifications required of male voters in any common school election, and who in addition are able to read and write, shall be qualified and entitled to vote at all elections of School Trustees and other school officers required to be elected by the people, and upon all school measures or questions submitted to a vote of the people; and upon all school measures or questions required as to males shall be eligible to hold any school office or office pertaining to the management of schools; Provided, however, that this Act shall not apply to any election the qualifications of the voters at which the Constitution otherwise prescribes the qualifications of the persons eligible thereto.

SEC. 2. In all places where a registration of the qualified voters is now or may hereafter be required women who are, by this Act, qualified to vote shall be registered at the same time and place and by the same officers and in the same manner as male voters; their registration, however, being made in a separate book to be furnished by the County Clerk as is prescribed by law in the case of male voters. And all the provisions of law relating to the registration of male voters are hereby made applicable to the registration of women qualified to vote by this Act.

SEC. 3. When the elections referred to in Section 1 of this Act are held on the same day with the State, county or city elections, separate ballots, similar to those required in other elections, except that they contain only the names of candidates for school officers or questions relating to schools, shall be provided for women voters qualified under this Act; otherwise the election shall be held according to the provisions of the General Election Law.

SEC. 4. All laws or parts of laws in conflict herewith are hereby repealed.

REMARKABLE RECORD MADE BY COOPER IN MINNEAPOLIS

The remarkable success that has attended L. T. Cooper during the past year has not been confined to any one locality, but is so widespread that the young man is now a well known figure in most of the leading cities of the country.

Mr. Cooper believes that the stomach is the foundation for most ill health, and claims that his preparation, by regulating the stomach, is a true specific for most diseases. The following extract from The Tribune of Minneapolis gives an idea of the surprising number of people who are accepting Cooper's theory. The article was one of many that appeared during Cooper's stay in Minneapolis, and is as follows:

"The sale of Cooper's preparation is now phenomenal in this city, and an estimate made today seems to indicate beyond all doubt that it will equal the large figures reported from Pittsburgh during the thirty days Mr. Cooper spent in that city.

"During the past twenty-two days Mr. Cooper has been in Minneapolis, the sale of his preparation has averaged about two thousand bottles a day. When the amount of medicine disposed of throughout the State is added to this, the amount will be doubled. Therefore, the young man has sold in twenty-two days eighty-eight thousand bottles of his medicine in the State of Minnesota alone, which is a truly remarkable record.

"During the past week so many hundreds of Minneapolis people have been calling to thank Cooper for the good he has accomplished with his medicine, that it is safe to say that his visit will long be remembered by the sick of the city."

In this connection a statement from O. C. Stark of Owatonna, Minn., will be of interest. He says:

"Several years ago I was taken ill with stomach trouble, suffering the most terrible pain. Doctors helped me temporarily, but the attacks returned at a little while with increased severity. I got so bad that I had to quit work.

"On the advice of a friend I began taking Cooper's New Discovery, and a treatment of this remarkable medicine restored me to my former good health. I now eat well, sleep well and feel well, and have lost no time on account of illness since taking the Cooper medicine.

"Several months have gone by since I stopped using the New Discovery, and there has been no return of my former trouble. Anyone who has stomach trouble will make no mistake in giving Cooper's New Discovery a trial. It does all that is claimed for it."

I tell the famous preparation, which has made a similar record to the above wherever introduced.—Jas. J. Chenneth

The only thing about that Democratic Legislative Committee's report that sounds good to us is that which says Adjutant General P. P. JOHNSTON is temperamentally unfit for his office. If the doughty and dazzling old "General" would only spell his name plain Johnson instead of "Johnston," there might be some hope of him being the genuine thing.

A FEW more TAFT speeches like his Lincoln day remarks will convince those critics who never saw anything in Judge TAFT but his broad smile that there is a whole lot of bulldog grit and determination in him. You have to take a club to some people before you can convince them of a common-sense fact. The fact is that TAFT is a safer man in the Presidential chair than is ROOSEVELT; and we consider ourselves "the original Roosevelt man."

The Arthur land near Maysville, which will be sold Wednesday, March 21, consisting of 82 acres, is part of the David L. Wells land and much of it is good strong land that produces a fine quality of tobacco. This farm should prove an excellent investment.

The earth is beginning to quake around New York; Teddy's coming.

The suffragettes will now let up in their vote-getting campaign to diagram the coming Easter bonnet.

WHAT possible weight or effect will a report of a "Democratic Legislative Committee" have in view of the recent doings, or misdoings, of the present Legislature? Whether the Committee exonerates its own partisans or condemns Governor WILLSON and his Republican Administration, it's all the same. There is nothing but politics in it, anyhow. Two years hence the voters of old Kentucky, combined with the influence and effective work of the women of old Kentucky, will show these incompetent Democratic partisan leaders a few things. Kentucky's future is effulgent with the bursting light of a new dawn, simply because the Hagers and the Hales and the Hargises and the Klairs and the Combs and the Arnetts and the Browns and the Conn Linns are to be banished forever from her political fireside. Glory be! At the proper time THE PUBLIC LEDGER proposes to unlimber its batteries and work shoulder to shoulder with the sober, decent, progressive men and WOMEN for a new Kentucky, sans Democrats, who would better adorn the Penitentiary cell than seats in the new Capitol Building.

MAY PROVE FATAL.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first: But when you know 'tis from the kidneys: That serious kidney troubles follow: That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured. Thomas Ruark, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Doan's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
